Bactallion Commander Effluent

Biologically active micro-organisms for breaking down sewerage and sewerage sludge.

PRODUCT SNAPSHOT

Biologically active, enzyme-producing combination of aerobic, facultative anaerobic and anaerobic micro-organisms for breaking down sewerage and sewerage sludge; contains active organic acids and other microbial stimulants.

HAZARDS IDENTIFICATION

- Important hazards: Non Hazardous
  Hazchem: Inert
  Hazard rating: SAPMA: HHR 4 - Non Hazardous
  E.C. Label: Not available
- CAS No: Not available
  EINECS No: Not available
- Dangerous Ingredients: None

COMPOSITION

Dangerous Ingredients: None

CAS No: Not available

EINECS No: Not available

E.C. Label: Not available

Hazchem: Inert

PHYSICAL & CHEMICAL PROPERTIES

Appearance	Not provided
Odour	Not provided
pH (5% Suspension)	Not provided
Physical Form	Not provided
Relative Density	Not provided
Solubility in Water	Not provided
Vapour Pressure	Not provided
Boiling / Melting / Flash Point	Not provided

FIRST AID & FIRE FIGHTING

- **First aid not expected to be required.**
- **Skin: Wash with water; Eyes: Flush with water; Ingestion: Drink water**
- **Extinguishing Media: Not considered a fire hazard; Special Hazards: None**
- **Protection: Full protective clothing and approved self-contained breathing apparatus**
- **Hazardous Decomposition Products: None**

DISPOSAL & TRANSPORT

- **Dispose: General waste**
- **Packaging: Empty drums; follow local legislation**
- **UN Number: Not regulated; SABS 0228: Not regulated**
- **Transport: No regulations apply**
- **Tramcard: Not Applicable**

STABILITY & REACTIVITY

The product is stable for 3 to 6 months in cool storage. Avoid mixing with strong oxidizing agents. No hazardous decomposition products are applicable. Toxicological information, including LD50 and chronic toxicity, is not provided. Ecologically, it is not toxic to fish and is inherently biodegradable.

REGULATORY INFORMATION

Product Name	**Bactallion Commander Effluent**
Regulatory Information	**Not classified as dangerous for supply or conveyance.**
Other Information	**Other Special Considerations: None**
