SOIL AND WATER

INDUSTRIAL

WHERE IT WORKS

- Enriching Water Quality in Waste Water, Aerator and Algae Industry
- Fat Traps, Septic Tanks, French Drains and Long Drains
- Odours in Your Drain, Bathrooms and Kitchens
- Septic Tanks and French Drains, Blockages, Odours
- Fat Removal of Kitchen Traps

SEPTIC TABS

Septic System Activator Treatment

A unique proprietary tablet that allows aeration, oxygenation and biological treatment of grey water, anaerobic and anoxic water. It greatly enhances aerobic biological action and shows dramatic oxidation of ammonia, hydrogen sulphate and other reduced solids, breaking down COD levels like never before.

- 1 tablet per 5000L septic tank monthly
- 1 tablet per pit toilet
- 1 tablet per 10,000L waste water

PTT POWDER

Enzyme based product, enriched with microbes for quick reaction time

A great use in bio-solid product, enriched with microbes for quick reaction time.

- Citrus fragrance to mask sewage odour
- Application: septic tanks, French drains, portable toilets
- Packaging: 10 per bag (10g)

OXY TABS

Enzyme based product, enriched with microbes for quick reaction time

A unique proprietary tablet that allows aeration and oxygenation of stagnant, anaerobic and anoxic water. It greatly enhances biological action and oxygenates water without electrolysis, showing dramatic oxidation of ammonia, hydrogen sulphate and other reduced solids.

SEPTIC DUAL TABS

Contains a pleasant fragrance (citrus) · water quality enhancement

A unique proprietary tablet that allows aeration, oxygenation and biological treatment of stagnant, anaerobic and anoxic water in portable toilet conservancy tanks. It greatly enhances aerobic biological action and shows dramatic oxidation of ammonia, hydrogen sulphate and other reduced solids. Contains a fragrance that helps mask urine and faeces odours.

- One tablet per portable toilet per cycle
- Available in 50g tablets
- Tubes of 10's

URINAL MAT

Fragrance scented recyclable mat, complete with refill tablets
